By joining, you will be helping to support our work in maintaining and operating the Trust's narrow gauge steam locomotives and other equipment. Training is given to those who wish to learn these mysteries, but if your interests lie in other aspects of railway life there is always plenty to do! Volunteers are always welcome. For more information about the HNGRT projects, please contact the Trust Chairman, Mark Arnold ([hngrt@oz-arnold.com](mailto:hngrt@oz-arnold.com)) or by emailing [volunteers@hngrt.org.uk](mailto:volunteers@hngrt.org.uk). We look forward to working with you and hope you enjoy the opportunities and activities on offer.
